- ❖ Administrators can create orders manually
- ❖ Administrator can change, delete and confirm orders
- ❖ Administrators can - add / delete / edit resources
- ❖ You can use the shares for different types of discounts in different seasons
- ❖ Administrators can send a message to email client

**DANIEL WEB BUILDERS & MARKETING CC**

To see prices and availability, enter your arrival date, departure date and select resort and room.

---

The screenshot displays a reservation interface. On the left, there are two calendar pickers for October 2011. The first calendar is labeled 'Click to select arrival date' and the second is labeled 'Click to select departure date'. Both calendars show dates from 26 to 31, with the 2nd of the month highlighted in blue. To the right of the calendars, there is a 'Resort' dropdown menu with 'Demo resources' selected. Below that is a 'Room' dropdown menu with 'All' selected, and a list of room options: '-Hotel New York', '-Hotel Sydney', '-Athletic Gym', '-MaxHealth Clinic', '-Car rental', and '-Workers'.
